

## List of conferences planned by NAS RA Institutes for 2007

- [CSIT 2007 - Seventh Conference on Computer Science and Information Technologies](#)
- The International Symposium "Problems of biochemistry, molecular & irradiational biology and genetics" dedicated to the 100th Anniversary of Academician N.M.Sisakyan, will be held from April 2 to 3, in Yerevan and in Ashtarak, 2007
- The International youth scientific conference "Mountain areas - ecological problems of CITIS" will be held from May 29-30, Yerevan 2007
- Meeting of the European Astronomical society (JENAM 2007) will be held from August 20-25 at the Byurakan astrophysical observatory of NAS RA, Byurakan, 2007
- The conference "Lazer-2007" will be held from October 12-15 at the Institute for Physical Research, Ashtarak-2, 2007
- The conference "Coherent radiation of the charged particles due to interaction with meta medium" will be held from September to October at the Institute of Applied problems of Physics, Yerevan, 2007
- The conference "Electromagnetic process in medium with negative dielectric constant" will be held from October to November at the Institute of Applied problems of Physics, Yerevan, 2007
- The conference "Accumulating and absorbing hydrogen nanosystems" will be held from July to October at the Institute of Applied problems of Physics, Yerevan, 2007
- [On July 4th-7th, 2007 "Armenian Technology Congress", the first high technology conference and exhibition for professionals who have interest in the global Armenian community and the rapidly rising technology sector of Armenia, will be held in Fairmont Hotel, San Francisco, CA, USA](#)
