

List of conferences planned by NAS RA Institutes for 2008

- Institute of Mathematics of the National Academy of Sciences in association with Yerevan State University is organizing an international conference in Harmonic Analysis and Approximations in 19 - 26 September, 2008, dedicated to 80th anniversary of academician Alexandr Talalian. The conference will be held at Yerevan State University's Conference Centre, Tsaghkadzor (Armenia). Deadline for application is april 30, 2008. For more information please visit the conference webpage at <http://math.sci.am/conference/sept2008/conf.html>
- CIMPA (UNESCO) and the Institute of Mathematics of Armenian National Academy of Sciences, in association with IMPRS Mathematics in the Sciences (Leipzig), Yerevan State University and the Royal Institute of Technology (Stockholm) are organizing a Summer School on Nonlinear Analysis and Geometric PDE. The school will be held at Yerevan State University's Conference Centre, Tsaghkadzor, Armenia, from 15 untill 24 June, 2008. Deadline for registration is 31 March 2008. For more information please visit the school webpage at <http://www.imprs-mis.mpg.de/CIMPA/>
- On 14-17 October 2008 Institute of Physical Researches of NAS RA organize a Republican Conference "Laser Physics-2008". Topics:
materials for quantum electronics: creation, properties and applications
generation and conversion of laser radiation
resonance interaction of laser radiation with matter
laser instrumentation and applications
laser spectroscopy
matter waves
quantum optics, quantum information

The details are available an <http://www.ipr.sci.am/lp/2008>
- On 15-18 September 2008 Byurakan Astrophysical Observatory of NAS RA organize an "Interantional Conference Evolution of cosmic objects conditioned with their physical activity". The details are available at <http://www.bao.am>
- On 20-30 September 2008 Byurakan Astrophysical Observatory of NAS RA organize "Second Byurakan International School of young astrophysicists in Byurakan" ("Practical astrophysics"). The details are available at <http://www.bao.am>
