

70th anniversary of G.S.Davtyan Institute of Hydroponics Problems NAS RA

**"Modern Problems of Plants Soilless Cultivation (Hydroponics)  
and Tissue in vitro Cultures"**

6th International Conference

**Yerevan, Armenia 21-23 September, 2017**

G.S.Davtyan Institute of Hydroponics Problems NAS  
RA, Noragyugh 108

Deadline for submission of papers - April 15th, 2017

E-mail: [hydrop@netsys.am](mailto:hydrop@netsys.am)

Working languages – Armenian, Russian, English

The themes of the conference:

- Regulation and control of internal and external factors of the environment in conditions of soilless culture;
- Hydroponics substrates;
- Nutrient solutions and mineral nutrition;
- Hydroponics systems;
- Ways of plants' productivity increase in hydroponic conditions;
- Plants' agro-chemical, physio-biochemical and pharmacological peculiarities in hydroponics;
- Plant introduction in soilless culture;
- In vitro culture and phytobiotechnology;
- Biodiversity;
- Main issues of hydroponics engineering;
- Environmental issues of hydroponics;
- Ecological safety issues of hydroponic raw material;
- Organic hydroponics;
- Nursery hydroponics.

**6th International Conference  
"Modern Problems of Plants  
Soilless Cultivation  
(Hydroponics) and Tissue in  
vitro Cultures"**

***Yerevan, Armenia, September 21-  
23th, 2017***

***devoted to 70th anniversary of  
G.S.Davtyan Institute of Hydroponics  
Problems NAS RA.***

Conference organizers are: National Academy of Sciences of Republic of Armenia, the Ministry of Science and Education State Committee of science, the Ministry of Agriculture RA, Yerevan State University and G.S.Davtyan Institute of Hydroponics Problems NAS RA.

The official languages of the conference are Armenian, Russian and English.

For details refer to Dr. Anna Tadevosyan and Dr. Laura Ghalachyan by this e-mail [hydrop@netsys.am](mailto:hydrop@netsys.am) or by phone (+37410563015).
