

# **Title of the contribution prepared for the IRPhE'2024(Times 14, bold, centred)**

A. First author<sup>1</sup>, B. Second<sup>1</sup>, C. Third<sup>2</sup>. (Times 12, normal, centred)

<sup>1</sup>*Institute of Radiophysics and Electronics, Alikhanian Brothers str. 1, 0203 Ashtarak, Armenia (Times 10, Italic, centred)*

<sup>2</sup>*Universite de Toulouse, Laplace UMR CNRS 5213, UPS, 118 Route de Narbonne, 31062 Toulouse FR (Times 10, Italic, centred)*

All interested participants are kindly invited to present the latest results of their scientific work in one of the IRPhE'2024 subject areas (Times 11, normal, centred).

The deadline for submissions is **August 20, 2024**. The Local Organizing Committee will do their best to give notify the participant of the final decision on the revised abstract by **August 31, 2024**. Early submission is encouraged.

The authors are responsible for both the content and style of their contributions. Contributed one page-length abstract must be written in English. No editing or retyping will be carried out by the conference organizers, and accepted contributions will be reproduced without reduction or modification.

Each contributed paper must be submitted in two files:

- (a) A Microsoft Word
- (b) and its corresponding PDF file.

Contributions must be submitted by e-mail. Please send both Word/PDF files as an e-mail attachment to

[irphe2024@gmail.com](mailto:irphe2024@gmail.com).

All abstracts will be printed on a booklet that will be distributed to all registered participants during the conference.

In order to have a paper published in the conference proceedings, at least one of the authors must participate in the conference.

# CALL FOR PAPERS, IRPhE' 2024

## *International Conference on Microwave & THz Technologies, Wireless Communications and OptoElectronics*

*September 20-22, 2024, Yerevan, Armenia*

Organised by:

National Academy of  
Sciences of the Republic  
of Armenia

The RA Ministry of  
Education, Science,  
Culture and Sports.  
Higher Education and  
Science Committee

The aim of the IRPhE' 2024 Conference is to provide an open forum for the presentation and discussion of current research in Microwave and THz technologies, wireless communications, alternative electronic devices, photonics and its applications.

The main topics of the conference are and not limited to:

- ✓ Microwave devices, antennas, propagations and remote sensing
- ✓ THz technique, spectroscopy and applications
- ✓ Microwave photonics
- ✓ Wireless communications and related information technologies
- ✓ Semiconductor and dielectric materials, electronic and optoelectronic devices

### Submission Information

- Original one page abstracts will be accepted for review in Word and PDF formats.
- Abstract submission deadline: August 20, 2024.
- The abstract template is attached to the email.
- The authors of accepted abstracts will be invited to submit 4-6 page papers for publication in the Conference Proceedings.
- Final full paper submission deadline: October 1, 2024.
- Best papers selected through peer-review process will be invited for publication in the special issue of a Scopus indexed journal publishing interdisciplinary research between electronics and systems, high speed technology, photonics and electronics (IET Digital Library and IEEE Xplore).

Abstracts & papers must be submitted via email: [irphe2024@gmail.com](mailto:irphe2024@gmail.com).

### Registration Information

- For each paper independently, at least one co-author is required to register for the conference.
- Registration deadline: September 15, 2024.
- In-person registration fee - 200 USD, virtual registration fee - 100 USD, registration fee for local participants - 10000 AMD.
- More detailed information will be available at the conference website: [www.irphe.am](http://www.irphe.am).
